

In response to your letter dated May 31 regarding the Year End Report please note that an amended report will be filed today to correct the column B figures and the beginning cash.

Supporting schedules to Line 10 have been corrected to reflect the actual debt number. Schedule C and C-1 have also been corrected to show the missing data. The interest owed has been added to the debt schedule.

Memo schedule E has been added per your request.

Please note that Feather Larson & Synhorst DCI is the same vendor as FLS Connect. The name has been updated in our system per the vendor's request however the debt listed in each report matches and is correct.

You have asked for a paper copy of Schedule C-1 and a copy of the loan document. Those documents were delivered to the Commission on April 13, 2007 per your request.

Please contact me with any additional questions. Thank you.
